

DON'T LET YOUR CHILDREN LOSE IN THIS ELECTION!

Every SA child receives
less financial support
just because they go to
school in South Australia.

In 2017 South Australian Catholic & Independent
school students will receive up to **\$35 million**
less in Commonwealth funding than if they went
to school in **any other** state or territory.

We seek a **guarantee now** from
all parties for **funding fairness**
for all three SA schooling sectors
- Catholic, Independent and Government.
