

Thanks for joining us at the Pregnancy, Babies and Children's Expo

It was great to meet so many of you at the Expo and answer questions about your child's education.

Children's learning in their earliest years sets important foundations for life.

This newsletter gives you more information about Catholic Education SA's early years services.

Did you win our Blue-Bot Robot?

Thanks to everyone who entered our competition to win a Blue-Bot Robot.

The robot was certainly a hit with many children at the Expo – and quite a few adults!

Our lucky winner has been drawn - [click here](#) to see if it's you.

Discover our Early Years Services

We know your family is unique, that's why our early years services come in many shapes and sizes.

Catholic Education SA's **early years services** will partner with your family as your child continues to grow as a creative and competent person.

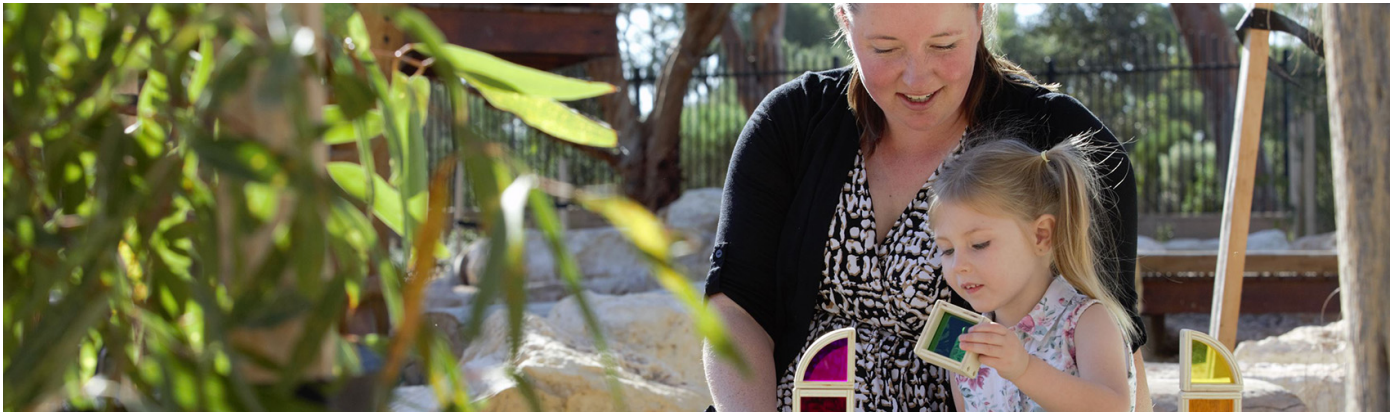

Following **these 10 principles**, we offer safe places of learning, listening, support and love for children, adults and the community.

Choosing an Early Years Service

Use this **school directory** to find your nearest Catholic school with early years services. You can search by suburb, postcode or type of service.

You more than likely have a lot of questions regarding choosing an early years service. It's important to ask them. If you don't know what to ask, here are **10 suggested questions** to get you started.

Join a SPiCE Playgroup!

Catholic Education SA currently offers 60 Supported Playgroups located within our schools across the state.

Each one focuses on learning through play and provides a time and place for all children aged birth to five and their families to 'be' together and have some fun!

Painting Playgroups REaD

CESA has recently launched the '**Paint Playgroups REaD**' initiative to promote the importance of reading from birth.

Each of our 60 supported playgroups have been provided with a box filled with donated books for families to access and take home each week when they come to playgroup, to encourage them to read to the littlest members of our communities.
