We say farewell to Shannon

After 9 years with Catholic Education SA, Shannon Short, is moving on to a new role at Uniting SA.

UnitingSA is a not-for-profit organisation that focuses on community building with programs across a range of areas including disability, mental health, affordable housing, child development, employment and aged care.

Shannon said "I'm going to miss the broad network of marketing and communications staff across Catholic Education. I believe, together, we have significantly raised the profile of Catholic Education in recent years."

There will be more information on Shannon's replacement in due course. Her last day in the office is Thursday July 18. Shannon encourages anyone who wishes to stay in contact to connect via LinkedIn.
